

# Pwyllgor Tacllo'r Toiledau

Annwyl bawb,

Yn ein cyfarfod heddiw wnaethon ni benderfynu anfon llythyr adref i bob cartref i egluro beth rydym yn ei wneud. Ni sy'n gyfri-fol am sicrhau fod y toiledau ar eu gorau ar gyfer pob disgybl yn yr ysgol. Na, nid ni sy'n gyfri-fol am eu glanhau (diolch byth!) ond os oes rhywbeth o'i le, ni sy'n dweud wrth y bobl pwysig! Y pethau y byddwn ni'n edrych arnynt fwyaf yw papur toiled, sebon, cloeon, dwr poeth ac oer.

Y peth rydyn ni eisiau rhannu gyda chi fwyaf heddiw yw y byddwn yn gosod posteri bach ym mhob ciwbicyl yn yr ysgol. Dyma'r poster:

Her **Pi-Pi** Er mwyn gweld a wyt ti'n Bencampwr Her **Pi-Pi** edrycha ar liw dy **Bi-Pi** i weld i ba un o'r lliwiau hyn y mae e'n debyg!

**Go Dda ii!**

Rwyt ti <b>yn</b> yfed digon – <b>Cofia ddal ati!</b> <small>Rwyt ti yn Bencampwr Her Pi-Pi</small>	Cofia sicrhau dy fod yn cymryd sipiadau o ddŵr o dy botel trwy'r dydd	Wyt ti wedi bod yn yfed digon? Efallai ei bod hi'n bryd iti gael gwydraid o ddŵr
-----------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------	-------------------------------------------------------------------------------------

Mae'n bwysig fod pawb yn yfed digon o ddwr yn ystod y dydd. Mae'n bwysig felly fod gan bawb potel o ddwr yn yr ysgol, a'u bod yn cael eu golchi o leiaf unwaith yr wythnos yn lan.

Byddwn hefyd yn gwirio fod posteri yn atgoffa pawb i olchi dwylo ym mhob toiled.

Felly, gobethiwn fod y llythyr yma wedi eich helpu i ddeall ein bod ni'n gwneud ein gorau glas i gadw'r toiledau yn dda ar gyfer pawb yn yr ysgol.

Diolch, Zoe, Niamh, Rhys, Iestyn, Lisa a Rebecca

Dear all,

In our meeting today we decided to send a letter home to every household to explain what we are doing. We are responsible for ensuring that the toilets are at their best for all pupils at the school. No, we're not responsible for their cleaning (thank goodness!) But if there is something wrong, we tell the important people! The things we look at most is toilet paper, soap, locks and hot and cold water.

What we want to share with you the most today is that we will be putting up small posters in all cubicles at school. Here is the poster:

The **WEE** Challenge

Check the colour of your **WEE** against these colours to see if you are a **WEE** Challenge Champion!

**Well Done!**

You <b>are</b> drinking enough – <b>Keep it up!</b> <small>You are a WEE Challenge Champion</small>	Make sure you are sipping from your water bottle through the day	Have you been drinking enough? Maybe it is time to have a glass of water
-----------------------------------------------------------------------------------------------------------	------------------------------------------------------------------	-----------------------------------------------------------------------------

It is important for everyone to drink plenty of water during the day. It is therefore important that everyone has a bottle of water at school, and that they are washed clean **at least once a week**.

We will also check that posters reminding everyone to wash hands are in place in every toilet.

So, we hope that this letter has helped you to understand that we are doing our utmost to keep the toilets as best as we can for everyone in the school.

Thank you, Zoe, Niamh, Rhys, Iestyn, Lisa & Rebecca
