September 2021 - I would like to communicate the arrangements for September following new implementation guidelines from the Welsh Government. September is a time of transition to a new Covid-19 risk framework where school actions will reflect the local Covid-19 context.

We can assure you that in co-operation with Ceredigion Council and the Local Health Board our aim will be to make all decisions in the context of providing a safe and supportive educational environment for your child. If there are further announcements over the Summer we will update you on September 1st.

Class bubbles and contact groups - the class bubbles will continue for the first weeks of September, pending a review of the arrangements in mid September.

Hygiene - normal school procedures for temperature, hand hygiene, good ventilation and one-way systems in busy places will continue.

Year 6 Transition - we have ensured that year 6 pupils transferring to secondary school have a supply of LFT tests. If any family wants to book LFT tests over the Summer this can be done at <https://gov.wales/get-rapid-lateral-flow-covid-19-tests-if-you-do-not-have-symptoms>

Arrangements for morning drop off near the school – the arrangements will remain the same for September – you may bring your children to school between 8.30 and 9 o'clock.

Breakfast Club – available daily from 8.15 – 8.30 – please contact the school to book a place.

End of day collection - TIME CHANGES FOR SEPTEMBER - There is a slight change to end of day collection times to ensure we meet statutory learning time. However in order to aim for a situation where parents / guardians are socially distanced we want to continue to follow a timetable that reduces the number of parents / guardians at the school gate at one time;

3.15 - Nursery and Reception collected from the Nursery yard and Reception

3.20 - Year 1 pupils collected near the main entrance (and younger siblings)

3.20 - Year 2 pupils collected near the green double gates on the field near the pavilion (and younger siblings) a new path has been created for September.

3.25 - Y3 pupils collected near the main entrance (and younger siblings)

3.25 - Yr 4 pupils collected near the green double gates on the field near the pavilion (and younger siblings)

3.30 - Year 5 pupils collected near the main entrance (and younger siblings)

3.30 - Year 6 pupils collected near the double gates on the field near the pavilion (and younger siblings)

Many thanks for your cooperation during the year, best wishes for the Summer holidays.
